

## PARTNER BENEFIT CATALOG

### **Onboarding & Contracting Automations**

Automated systems ensure fast, efficient carrier contracting and setup, getting you to market quicker.

### **New Agent Training**

Comprehensive programs, including in person training and continuous webinars, ensure you are always current on compliance and products.

### **Succession Planning**

Your book is an asset. We provide guidance and strategic options to help you plan for the eventual sale or transition of your agency.

### **Acquisition Support**

Looking to grow? WKM provides strategic and administrative support to help you acquire and seamlessly onboard other agents' books of business.

### **Meaningful Products**

Our full list of insurance products allows you to give your clients the complete coverage they need. ACA and Individual, Dental and Vision, Medicare Advantage and Medicare Supplement, and Hospital Indemnity and Final Expense are just some of the products designed to make you a lasting resource for your clients.
